

# Save the date

November 29 & 30, 2018  
Maastricht | MECC | The Netherlands

First European Conference on  
Pediatric Procedural Sedation & Analgesia

**With an outstanding faculty, including:**

Keira **Mason** (Boston) Baruch **Krauss** (Boston) Egidio **Barbi** (Triëste) Anna **Taddio** (Toronto)  
Mark **Roback** (Minneapolis) Mohamed **Mahmoud** (Cincinnati) Laszlo **Vutskits** (Geneva)  
Francis **Veyckemans** (Lille) Bhavani **Kodali** (Boston) Cyril **Sahyoun** (Geneva)  
Annick **De Jaeger** (Ghent) Giorgio **Cozzi** (Triëste) Julia **Höffe** (Bern) Mark **Vogt** (Utrecht)

**Powered by:**

Dutch Society for Pediatric Sedation, Maastricht UMC+ and OLVG, Amsterdam

**Conference Directors:**

Sukru Genco (Amsterdam) & Piet Leroy (Maastricht)

**More information:** please contact [p.leroy@mumc.nl](mailto:p.leroy@mumc.nl)

PROSA2018

**For a detailed Program + Overview of Faculty: see below!**

**PROSA2018 Conference Maastricht: 1<sup>st</sup> European Conference on Pediatric Procedural Sedation and Analgesia.**

[www.prosa2018.com](http://www.prosa2018.com) [not yet on-line]

For all questions: Contact Piet Leroy [[p.leroy@mumc.nl](mailto:p.leroy@mumc.nl) ;+31433875245; +31651633002 (mobile)]

**ORGANIZING PARTIES**

Party	Contact Person
Maastricht University Medical Centre (NL) – Department of Pediatrics	Piet Leroy (President)
Onze Lieve Vrouw Gasthuis Hospital Amsterdam (NL) – Department of Pediatrics and Pediatric Emergency Care	Sukru Genco
Dutch Foundation for Pediatric Sedation ( <a href="http://www.kindersedatie.nl">www.kindersedatie.nl</a> )	Sukru Genco

**GENERAL OVERVIEW (preconference workshop + Conference)**

Date	Format	Location	Audience
<b>Wednesday November 28<sup>th</sup> 2018</b>	<b>Pre-Conference Workshop</b> 'Non-pharmacological strategies for Establishing Trust and Alleviating Fear in children'	Maastricht UMC+ ( <a href="http://www.mumc.nl">www.mumc.nl</a> )	On Invitation Max 30 / workshop
<b>Thursday November 29<sup>th</sup> 2018</b>	<b>Conference Day 1</b>	MECC ( <a href="http://www.mecc.nl/en/">www.mecc.nl/en/</a> )	Max 200-250
<b>Friday November 30<sup>th</sup> 2018</b>	<b>Conference Day 2</b>	MECC ( <a href="http://www.mecc.nl/en/">www.mecc.nl/en/</a> )	Max 200-250

## CONFERENCE DAY 1 (Thursday 29<sup>th</sup> of November 2018)

Central Theme: PATIENT-CENTERED, COMFORT-DIRECTED PROCEDURAL CARE

TIME	TITLE / CONTENT				CHAIR/SPEAKER
07.30-08.45	Registration – Coffee – Breakfast (exhibition hall)				
08.45-09.00	Welcome and Introduction (15 min)				Piet Leroy
<b>9.00-11.45 Room: Lecture Hall – Theme: The meaning of procedural pain and fear for children, parents and professionals</b>					<b>Egidio Barbi (chair)</b>
09.00-09.25	Procedural burden in children with cognitive impairment – a parent’s perspective (30 min)				Vera Tomassen
09.25-09.45	A child with cancer: is procedural pain worse than the disease? – a parent’s perspective (30 min)				Bibi van der Velden
09.45-10.30	Short- and Long term effects of Procedural Pain and Fear in children (45 min)				Anna Taddio
10.30-11.15	Professional skills for Establishing Trust and Alleviating Fear in children (45 min)				Baruch Krauss
11.15-11.45	Open Forum (Q&A) (30 min)				<i>All speakers</i>
<b>12.00-13.15</b>	<b>Lunch WORKSHOP 1 (75 min)</b> Max 45 persons	<b>Lunch WORKSHOP 2 (75 min)</b> Max 45 persons	<b>Lunch WORKSHOP 3 (75 min)</b> Max 45 persons	<b>Lunch WORKSHOP 4 (75 min)</b> Max 45 persons	
	Topic: ‘No More Tears’: Patient Integrated models for optimal procedural comfort and success	Topic: Managing patient comfort during routine Vascular Access procedures.	Topic: Managing patient comfort during common Emergency Procedures	Topic: Developing and Starting a Pediatric Sedation Program	
	Room: <i>tbd</i>	Room: <i>tbd</i>	Room: <i>tbd</i>	Room: <i>tbd</i>	
	Faculty: Anna Taddio,	Faculty: Giorgio Cozzi, Paolo Valerio, Fritzi Russ	Faculty: Baruch Krauss, Julia Hoeffe, Cyril Sahyoun	Faculty: Egidio Barbi, Mark Roback,	
<b>13.30-15.30 Room: Lecture Hall – Theme: Goal-directed PSA Pharmacology – Part 1: Common Procedures in Daily Practice</b>					<b>Annick De Jaeger (chair)</b>
13.30-13.55	Procedural Analgesia: How to treat procedural pain effectively (topically, locally and systemically) (25 min)				Giorgio Cozzi
13.55-14.20	Nitrous oxide sedation (with/without IN fentanyl): indications & contraindications (25 min)				Julia Hoeffe
14.20-14.45	Oral, mucosal and intranasal drugs: are there many routes to Rome? (25 min)				Piet Leroy
14.45-15.15	Intravenous sedatives: a practical overview (30 min)				Mark Roback
15.15-15.30	Open Forum (Q&A) (15 min)				<i>All Speakers</i>
15.30-16.00	Coffee Break with exhibitors (exhibition hall) (30 min)				
<b>16.00-18.00 Room: Lecture Hall – Theme: High Quality Procedural Care – From Theoretical Concept to Practice</b>					<b>Cyril Sahyoun (chair)</b>
16.00-16.45	Goal-directed Procedural Care: defining quality, efficacy and patient-centered outcomes (40 min)				Mark Roback
16.45-18.00	Interactive case discussions between audience and full faculty pannel (75 min)				Piet Leroy& Cyril Sahyoun
18.00-19.00	Social meeting - Reception - Entertainment				

## CONFERENCE DAY 2 (Friday 30<sup>th</sup> of November 2018)

Central Theme: HIGH QUALITY PROCEDURAL SEDATION AND ANALGESIA

TIME	TITLE / TOPIC				CHAIR/SPEAKER
7.15-8.15	Breakfast Breakout Drug Pannels (MEET THE EXPERTS - 60 minutes) [ <i>Specific Registration &amp; Extra Fee required / Breakfast Included</i> ]				
	<b>DEXMEDETOMIDINE</b>	<b>KETAMINE</b>	<b>PROPOFOL</b>	<b>NITROUS OXIDE</b>	<b>MIDAZOLAM</b>
	Room: tbd	Room: tbd	Room: tbd	Room: tbd	Room: tbd
	Faculty: Mohamed Mahmoud, Paolo Valerio	Faculty: Mark Roback, Piet Leroy	Faculty: Egidio Barbi,	Faculty: Julia Hoeffe, Felix Kreier	Faculty: tbd
7.30-8.30	<i>Registration – Coffee (Exhibition Hall)</i>				
<b>8.30-12.00 Room: Lecture Hall – Theme: Goal-directed PSA Pharmacology – Part 2: Major Procedures in Daily Practice</b>					<b>Felix Kreier (chair)</b>
8.30-9.00	Major Puncture Procedures (Oncology and Organ Biopsies) (30 min)				Mark Vogt
9.00-9.30	Major Endoluminal Procedures (Nasogastric Tube – Urinary Catheter – Endoscopy) (30 min)				Egidio Barbi
9.30-10.00	Major wound care (30 min)				Annick De Jaeger
10.00-10.30	<i>Coffee Break with exhibitors (exhibition hall) (30 min)</i>				
10.30-11.15	Safety of Procedural Sedatives in young children: is neurotoxicity an issue? (45 min)				Laszlo Vutskits
11.15-11.45	Open Forum (Q&A) (30 min)				<i>All Speakers</i>
<b>12.00-13.15</b>	<b>Lunch WORKSHOP 5 (75 min)</b> Max 45 pers	<b>Lunch WORKSHOP 6 (75 min)</b> Max 45 pers	<b>Lunch WORKSHOP 7 (75 min)</b> Max 45 pers	<b>Lunch WORKSHOP 8 (75 min)</b> Max 45 pers	
	Topic: Incorporating Non-Pharmacological techniques in daily care	Topic: Capnography Practical Exercises	Topic: Sedation Strategies for Radiologic Imaging Procedures	Topic: Sedation Strategies for special needs children	
	Room:	Room:	Room:	Room:	
	Faculty: Sara de Bulpaep, [...]	Faculty: Bhavani Kodali	Faculty: Keira P. Mason, Linda Schuitem	Faculty: Egidio Barbi, Michele Vranken	
<b>13.30-15.30 Room: Lecture Hall – Theme: Procedural Sedation Safety</b>					<b>Eva Schaffrath (chair)</b>
13.30-14.15	Adverse Events in Sedation? Etiology and strategies to improve safety. (40 min)				Keira P. Mason
14.15-14.45	Procedural Sedation and the Pediatric Airway: interactions and precautions (30 min)				Mohamed Mahmoud
14.45-15.15	Pre-sedation fasting: what is the evidence? (30 min)				Mark Roback
15.15-15.30	Open Forum (Q&A) (20 min)				<i>All speakers</i>
15.30-16.00	<i>Coffee Break with exhibitors</i>				

<b>16.00-17.30 Room: Lecture Hall – Theme: Implementation and Professional Education challenges</b>		<b>Keira Mason</b>
16.00-16.30	Professional skills and competencies for high quality procedural sedation/analgesia (30 min)	Piet Leroy
16.30-17.00	Interprofessional Collaboration, Education and Research: Time for European Collaborative network	Cyril Sahyoun
17.00-17.30 (18.00 ?)	Pediatric Procedural Sedation in Europe: Quo Vadis? Conference summary and Interactive discussion between audience /faculty	Francis Veyckemans

## FACULTY

Name	Academic and Institutional information	E-mail
Piet Leroy MD, PhD, MSc	Pediatric Intensive Care Specialist – Maastricht University Medical Centre (The Netherlands)	<a href="mailto:p.leroy@mumc.nl">p.leroy@mumc.nl</a>
Keira Mason MD	Associate Professor in Pediatric Anesthesia – Boston Children’s Hospital / Harvard University – Boston (USA)	<a href="mailto:Keira.mason@childrens.harvard.edu">Keira.mason@childrens.harvard.edu</a>
Sukru Genco MD	General Pediatrician at OLVG Hospital Amsterdam (The Netherlands)	<a href="mailto:m.s.genco@olvg.nl">m.s.genco@olvg.nl</a>
Baruch Krauss MD	Associate Professor In Pediatric Emergency Care – Boston Children’s Hospital / Harvard University – Boston (USA)	<a href="mailto:Baruch.Krauss@childrens.harvard.edu">Baruch.Krauss@childrens.harvard.edu</a>
Anna Taddio PhD	Professor in Pharmacy – Leslie Dan Faculty of Pharmacy – University of Toronto /Senior Associate Scientist at The Hospital for Sick Children – Toronto (Canada)	<a href="mailto:Anna.taddio@utoronto.ca">Anna.taddio@utoronto.ca</a>
Bhavani Kodali PhD	Associate Professor Anesthesia – Harvard Medical School – Boston (USA)	<a href="mailto:bskodali@bwh.harvard.edu">bskodali@bwh.harvard.edu</a>
Mark Roback MD	Professor Pediatrics/Pediatric Emergency Care – Masonic Children’s Hospital – University of Minnesota (USA)	<a href="mailto:mgroback@umn.edu">mgroback@umn.edu</a>
Mohamed Mahmoud MD	Professor in Anesthesia – Cincinatti Children’ Hospital Medical Centre – Cincinatti (USA)	<a href="mailto:Mohamed.mahmoud@cchmc.org">Mohamed.mahmoud@cchmc.org</a>
Egidio Barbi MD	Professor in Pediatrics – RCCS Materno Infantile Burlo Garfalo – Trieste (Italy)	<a href="mailto:ebarbi@libero.it">ebarbi@libero.it</a>
Giorgio Cozzi MD	Pediatric Emergency Care Specialist – IRCCS Materno Infantile Burlo Garfalo – Trieste (Italy)	<a href="mailto:giorgiocozzi@gmail.com">giorgiocozzi@gmail.com</a>
Julia Höffe MD	Pediatric Emergency Care Specialist – Inselspital – University Hopsital Bern (Switzerland)	<a href="mailto:Julia.hoeffe@insel.ch">Julia.hoeffe@insel.ch</a>
Annick De Jaeger MD	Pediatric Intensive Care Specialist – University Hopsital Ghent (Belgium)	<a href="mailto:Annick.DeJaeger@UGent.be">Annick.DeJaeger@UGent.be</a>
Paolo Valerio MD	Pediatric Emergency Care Specialist - OLVG Hospital Amsterdam (The Netherlands)	<a href="mailto:p.g.valerio@olvg.nl">p.g.valerio@olvg.nl</a>
Felix Kreier MD PhD	General Pediatrician at OLVG Hospital Amsterdam (The Netherlands)	<a href="mailto:f.h.k.kreier@olvg.nl">f.h.k.kreier@olvg.nl</a>
Laszlo Vutskits MD	Professor in Anesthesia – University of Geneva (Switzerland)	<a href="mailto:Laszlo.Vutskits@unige.ch">Laszlo.Vutskits@unige.ch</a>
Vera Tomassen	Writer-Speaker-Mother-Blogger	<a href="mailto:Vera@krachtigenhelder.nl">Vera@krachtigenhelder.nl</a>
Fritzi Russ MSc	Pediatric Sedation Specialist - Maastricht University Medical Centre (The Netherlands)	<a href="mailto:Fritzi.russ@mumc.nl">Fritzi.russ@mumc.nl</a>
Michèle Vranken MSc	Pediatric Sedation Specialist - Maastricht University Medical Centre (The Netherlands)	<a href="mailto:Mshm.vranken@mumc.nl">Mshm.vranken@mumc.nl</a>
Linda Schuiten MSc	Pediatric Sedation Specialist - OLVG Hospital Amsterdam (The Netherlands)	<a href="mailto:l.schuiten@olvg.nl">l.schuiten@olvg.nl</a>
Eva Schaffrath, MD	Pediatric Anesthesiologist - Maastricht University Medical Centre (The Netherlands)	<a href="mailto:Eva.schaffrath@mumc.nl">Eva.schaffrath@mumc.nl</a>
Mark Vogt MD	Pediatric Anesthesiologist – Princess Maxima Centre for pediatric Oncology (The Netherlands)	<a href="mailto:m.vogt@erasmusmc.nl">m.vogt@erasmusmc.nl</a>
Francis Veyckemans MD	Pediatric Anesthesiologist – President of The European Society of Pediatric Anesthesiology	<a href="mailto:Veyckemansf@gmail.com">Veyckemansf@gmail.com</a>
Cyril Sahyoun MD	Pediatric Emergency Care Specialist – Hôpitaux Universitaires de Genève	<a href="mailto:Cyril.Sahyoun@hcuge.ch">Cyril.Sahyoun@hcuge.ch</a>
Sara Debulpaep	General Pediatrician – University Hospital Ghent (Belgium)	<a href="mailto:Sara.Debulpaep@uzgent.be">Sara.Debulpaep@uzgent.be</a>
